1. [ ] the Air Force Command of the Central and South China Military Area officially inaugurated an aircraft equipment factory at Chint'outs'un (3160/7333/2625) in Nanning (108-18, 22-48).1 No Soviet personnel have been observed at this factory since its opening ceremonies.
  2. The aircraft equipment factory occupies over 40 buildings in the southern part of Chint'outs'un. Construction of these buildings began in July 1951 and was completed in March 1952. During the past few months machinery has been moved into this factory from Wuchou (111-19, 23-28) and Canton.
  3. There are over 470 employees at this factory. It is divided into a production department and a repair and assembly department which can repair internal combustion engines for airplanes.
  4. Special wharfs and fords have been built from the factory to T'ingtzu (108-18, 22-45) on the south bank. Direct branch highways have been built from T'ingtzu to the Nanning Airfield.
  5. The items produced by this factory prior to its official inauguration in early April are not known.
1. [ ] Comment. This factory may be subordinate to the repair and assembly shops at Nanning Airfield.
